

# MyPlaceIQ Super Smart Air-conditioning

Slash running costs by only distributing conditioned air to the rooms you are currently using

Super smart is saving up to 46% on energy bills\*

\*Please see [myplace.com.au](http://myplace.com.au) for more details

Turn on the air-con from anywhere you are and come home to comfort

Individual temperature sensors in every room means the whole family can have the temperature they want, in whichever room they are in
